So, what you're saying is, if someone else comes along and uses ".." that they have to be someone who has been here before? Another thing, I don't care if you trust me or not. It's not like anyone here depends on me for anything so trust really isn't an issue.

Anyways, this will just be a pointless argument where neither side will get anything really communicated here. Like you said, you'll just have to wait and decide for yourself.
