Coke I wont miss you either, I'll let you band of nerds be overly obsessed with some game . . . I'll go on with my normal real life while you children are stuck in some fantasy of 3d rendered objects. I'd rather hang out with friends in real life then talk to a bunch of pathetic little pimply kids with giant glasses. The only person here who knows what hes talking about is Alkaline.

bye bye everyone
nixon for pres
