zunnie

and as we all know: people are lazy beings and can rarely be assed to download ANYTHING except porn.

[zunnie]

lol

I didn't know that that the change wasn't server side until now.

And Spoonyrat i agree with you that usage of a MRLS is an art like fighting with a pistol. So I guess it might be as bad an idea as giving an engi/tech/hotty an alt fire to the repair gun.
