I have tried to solve my problem with black cell at their site but i give up. Many know me in Renegade and all of them know I don't cheat. I had a good day sniping, 35-1 k/d, so they ban me. If they wont let me on their servers, its their loss. I just wanted to make sure they didnt ban my CD or something stupid like that. Oh, forgot to mention my WOL nick is A0Sweeper.
