Well, as I was almost to the end of making the map, I thought...why now let vehicles get into the tunnel. Should make a change in gameplay.

GDI Guard Towers - THE MOST ANNOYING THING IN RENEGADE! You cannot do anything with those and always cause GDI to base camp with their 1337 uber n00b defenses. Lol.

j4S[p]Your mapping skills have definetly improved, GJ. :thumbsup:
Actually, I've been practicing with different things and new tools with 3DS Max and GMax in the past 3 months off and on.

...Thanks for the compliments and future ones to. Non-modders make us modders feel so proud of ourselves.
