SEALThey were trying to kill US Soldiers and killed civilians in the process.

Quote:There is no way you can justify the actions of anyone attacking American soldiers.

Hmmm... let me try: We invaded them.

Woah! I did it!

Ya, because blowing up a car in the middle of Rush hour in the most populated city in the country is in their defense.

Give me a break. Do you actually believe yourself? These people don't care about Iraq or the Iraqi people. They are murderers and they should all be killed.
