cowmisfit..... okay. Thank you for the apology, i appreciate it  
I'm sorry, but cow, you can be such an idiot. See what I put in bold:

snipbravoEOE is a very highly respected clan and i like it, but i dont see y cowmisfit is in it. Its a clan for GOOD people who actually have SKILL.

If he didn't mean you, then why did he specify you? Hmm...he just got owned and then tried to make it seem that he mistook you for someone else. Only, he specified you as the person he was targeting.
