pvilleacel just started playing Renegade and i need some help. Could someone please tell me the best strategies. I'm willing to listen and read all of them. I won't be checking here to often, so please send me a email by clicking below.

I'm a n00b -->[page.php?x=659449](#)

funny. but that doesn't look like an email address to me. and even if it were, clicking it wouldn't get you anywhere, that is... if you were able to even click on it.
