I don't have HICS, sorry. I just enjoy riling up people like you into tripping over yourselves... You can't see how much of a hypocrite you are for doing exactly what it is that you profess to hate me for?

I'm a nerd? Wow, you know a lot about me. First, I'm gay. Now I'm a nerd. What's next, I'll morph into a purple monkey dishwasher?

I'm actually not a "yank," that generally refers to people above the Mason-Dixon line. I live in the south.

lol, you totally ignore everything else.. Good job, your arrogant nature is becoming more apparent. Casting blame on me for something you hold in yourself is also known as hypocrisy, contradictoriness, and can be summed up by the statement "Do not throw stones in glass houses without proper protection."
