egg098If you're joining your own RG server on a local IP (i.e. within your network), you need to add your nick to ssc_ignore.txt

HELP

I can not find this file ssc_ignore.txt everybody keeps talking bout.I installed brenbot 1.35 and that file is not in there. I need help setting this up cuz my server is on the same network as my game machine and the server keeps kicking me.
