Blazer0x: If you get this message, note that I am still waiting to help. I've been trying to contact you for a while, and the past few times you have not responded, I understand you are probly buisy, but thats what I need to talk to you about. I want to help you as a major project for my floor, and I would be willing and able to enlist the help of about 3 more programmers or more if you need it. Please IM me.
