SickOptometristAlkalineThe map is duel arena is hell:

if you want to see the chaos, join the unrules.com - new maps server.

Aww, come on Alk', you just diluted my shameless plug for my server! After, a year or two of banning everyone, we need some fresh blood! We are trying to be a little more tolerant...LOL

run wolspy guys, you will get more people to join... I always say more fan maps server the better... forces people to get more people to download new maps...

besides, if duel arena loads I just leave, much rather play it on renwarz where its actually fun.

once you go fan maps, you never go back.
