Heyo there Aspenth...

Ya CnC Ammo died about 5 months ago now. I was working for them after the gamespy hosting let up. The new webmaster was some guy named Seal he was doing a good job then one night the site dissappeared. I found out we got hacked or something. Then it sat dormat for quite some time. Then things started to come back but shortly afterwards it dropped completely off the radar. Quite sad that site had a legacy...
