Quote:"a guy would go to school with a gun and shoot up his gym class because they picked on him."

umm please don't mention that, i guy i know is currently "depressed", has his hunting lisenche (which means he has a gun) and before he got depressed "everyone picked on him" <--- that's what he claims, it's a big f\*cked up story so im not even gonna bother, but one way or another the mere thought of this guy, gives me the creeps.....
