Quote:Ack has a HUGE ego and will never shut up just like me.

Uhh, where do you get this from? I think you have more of an ego trying to overinflate my personality into something that you can justify hatred toward in order to actually get anyone to support you in any form of argument...

Quote:Yes he is a worthless piece of shit

Speak for yourself.

Quote:and many of us may hate his fucking guts

Quote:has a HUGE ego

Sounds more like you there.

Quote:but we have to put up with him

Speak for yourself.

Quote:keep fighting back with your point of views or pieces of shit like him will always win and never be knocked off there high horse.

Contrary to your assumption (Yes, that's what you made, you know very little) I am on no "high horse" and would prefer you present things in a less biased manner... But that's probably expecting too much from someone who can actually hate someone on the Internet. Someone he's never met, never will meet, and knows nothing about. Harboring hate for others is not cool, champ.

Quote:I joined RenAlert about 2 weeks ago, ACK joined, the first thing he said was "Reborn sucks." Apparently Aircraftkiller despises Reborn so much he can't even come in a game without saying it.

I mainly say it for a few reasons, one of which you already had outlined for you Obvious Man... And my name isn't ack.

1. It's fast to type out, and effective. "Reborn sucks."
 2. Saying "Reborn sucks" generally incites a chorus of 20+ people to say "REBORN SUCKS" with me, so I can take screenshots and laugh at Reborn with them.
 3. Things are funnier when you bash Reborn, it's like the icing of a cake.
