n00bstories is not an unbiased organization. Nor is it an official Renegade organization. n00bstories itself is a fansite dedicated to a specific aspect of the game and is privately owned. Crimson can put whatever the fuck she wants to on HER site because SHE pays for it.

If you're that petty as to not visit a site because of a little tag that says "Bush Cheney" (despite my otherwise obvious opinions of their capabilities, if you can call it that), then you lack discipline anyway.
