Subject: RenX error
Posted by Slash0x on Sat, 25 Sep 2004 16:37:49 GMT

The default path is C:\gmax\gamepacks\westwood\renx\renx.exe or something quite close to that. Copy the RenX program and go to your desktop, paste a "shortcut" to it. Voila, there's the link to RenX. If that doesn't answer your question, could you clearify it a little more
