Subject: Core Patch 1 EXTREMELY Important suggestion
Posted by Xtrm2Matt on Sun, 26 Sep 2004 13:22:20 GMT

Is this a war to see who can get the most populated server? If I turned my server back on, and I listed in:

Players
Ping
Hostname

I'd always be at the top in:

Ping (My server is the best ping on WOL for me, kthxdieplz)
Hostname (not the VERY top, but near)
Players (If it's full)

Either way, I'm not bothered.
