ToolstyleYou may call us Brits "wusses", but most Americans are Retarded for several reasons:

1) The Californians elected the Terminator in a senator or whatever he is.

2) You elected Bush a President.

Ok, so if I were a Californian then I'd be retarded for voting Arnold and George into office? What's wrong if I actually agree with the Republican views? Maybe California thought he'd do a better job than the Democratic candidate? Maybe it's also possible for anybody to be in office in America because it's a free country?

Maybe you're retarded for saying that? No, not maybe, definetely.
