---

I luckily burned most of my songs onto 2 cds because I bought an mp3/cd player. After yesterday, I am SOOOOO glad that I bought it. 1. I needed a cd player, 2. I wanted a mp3/cd player for a while. 3. My 160GB HDD (with my music) was formatted by accident by DarkDemin when he was trying to get my computer up and running after last weekend.
