SEALFine, I'll point out one...and conveniently it's the first thing he blurts out:

NodbuggerLIE, there were many terrorist in Iraq, Saddam, people in Al-Queda, Hamas, they were all there.

The vast majority of sources will tell you that there was no link between Al-Queda and Iraq...including the 9/11 commission report.

Of course, there are many more flaws to Nodbugger's post(s), but I don't have that kind of energy.

Actually there is not a single flaw. It is all factual information.

Just because there was not collaboration does not mean they were not there.
