The kid continues to act like an idiot. I'm not gonna sit back if he continues to be a jackass.

Kerry's a fucking idiot. The man can't keep his story straight. I don't see how nearly half the country wants him in office. I'm not all that fond of bush either, but he's a hell of a lot better than Kerry could ever be.

You don't know cowmisfit...he's an idiot sometimes, but once you actually talk to him (if he lets you) then he becomes easier to talk to.
