LaeubiAircraftkillerYet the policies are still influenced by Karl Marx. :rolleyes:

THAT really is an argument that counts. :rolleyes:

I'm sure you vist Europe often and know ALOT about our politicians ( I think you want to reffer to this by the word 'policies').

I don't need to know anything about your politicians to know that your systems of government are based on socialism or communism. Both of which, remarkably, come from Karl Marx and his "overthrow the rich and powerful and institute the workers' paradise" ideals.
