SEALWho gives a fuck? Stop spamming with your half-assed "photoshopped" pile of shit.

Who gives a fuck? Stop spamming with your half-assed "reply" pile of shit.

Loobie, will you refute what I wrote or are you going to hide in ignorance? Marxist ideals are prevalent in Europe because of the American equivalent of liberals turning nations secularized and more toward social welfare and governmental dependence.

Even the fucking link you showed proves what I just wrote, several times over. Do you even read what you write??
