About ACK's message (that is off topic btw...)

Over here you are also allowed to shoot an intruder for self defence. =\ /me thinks you live in a ' stupid ' country/state/province, if the law doesn't allow you to stand up for yourself.

What you are saying is: If someone is stealing something from you, you may not do anything about it, because that would make it worse and then you could get a worse punishment. :rolleyes:
