cowmisfitMilkyLepAircraftkillerI want you to tell the President that you think Hershey is spelled "Hearshy" and take a picture of the reaction he gives you.

I will so laugh my ass off if he tells you "No child left behind didn't work for you, I see."

Plus why would anyone want to see Bush speak, it's like trying to read cowmisfit's writing/typing.
:twisted:

Shush up n00bie, You have no stance to say shit on me with your HUGE post count :rolleyes:

Quality over Quantity, well at least outside of the bedroom.

Lol, just learned Bush is coming to Alltel Stadium (home of the jags) to give a speech or something, wish i could go just to hold up a Vote Nader! sign.
