Subject: CNC Reborn : Various Updates
Posted by glyde51 on Thu, 21 Oct 2004 01:53:04 GMT

Can I post a la mod itself on my site?

Exdeath7No manuel yet and yes you can post updates on your site just make sure you give the link in the update to the Reborn site :

http://www.cncreborn.com
http://www.reborn.communityteam.de

Make sure not to give the people the wrong impression that the home site is your site. icon_wink.gif

Can't... decipher... meaning...
