I don't think its a good idea hosting Renguard:
http://www.gee-clan.com/nuke/modules.php?name=Downloads&d_op=viewdownloaddetails&cid=
3&lid=172&ttitle=Renguard#dldetails

As it says on the RG site:
Quote:Do NOT download RenGuard from ANYWHERE that is not listed here. Do not risk infecting
your PC with an unknown client.
