yes, I see it now. But I mean the shapes of the scorpion tail. I had no idea how you could make that. But I see it now. Very great work. I din't see that you used MDF. I'm dutch, So sorry if I was a bit unclear. Since my english is my second language. And for the painting, How did you actually did that? With hammerrite paint? Or what sort of paint do you use. Again, very impressive work
