zunnieYou'll be back. There is no game like Renegade available.

Renegade is more like a 'genre' by itself. Once this genre gets a hold of you once, you will keep coming back for it.

[zunnie]

Yep, tried all kinda big-name antidotes: BattleField, CounterStrike, Ghost Recon, Call o'Doody, FarCry, Lock-On (cool flightsym someone tried to get me into), UT2004 (still play that a bit), SW BattleFront, Halo, Half-Life2 & others that I can't think of...But, I still come back to the ol' venerable Renegade.
