glyde51 Does anyone notice of all the countries that are in North America and South America the USA is the only one referred to as America?

Kinda seems big headed to me...

thats the dumbest thing ive ever heard. We got first dibs cuz we were the first independent country. I get very sick of people noticing this dumb stuff like it hurts their feelings.....get a nutsack and quit yer whinin geez. sorry if i was harsh but it had to be said, take it as something for you other countries to work on cuz i dont feel like gettin into a fight bout this.
