And that a team of n00b cannons can eliminate several soldiers without taking a loss.

Somehow I doubt the people saying "deal with it" are good players. I've been playing three years, three literal years (3 December of 2001), and know what I am talking about because I've been through it all. I keep a constant K/D ratio of over 5.0 because I can easily kill people with any of the sniper units in Renegade. It's not that hard to use them, and that's the reason why they're so used...
