Dude, you're a fucking idiot. I'm sorry, but there are few people that I TRULY think are idiots, and you are one of them. Congratulations. Let me show you how I think this:

I'm 18, but I figured I'd piss you off and have fun doing it.

I never said your religion killed people...moron.

I know you can revoke your religion, dumbass. I never said you couldn't.

They are able to prove it and have.

That's nice, people are idiots like you, it's not uncommon that they'd think the same.

Good for you. At least you have some resemblance of intelligence.

Why do you keep referencing Catholics? I AM NOT A CATHOLIC. I DISAGREE WITH A LOT OF CATHOLIC TEACHINGS.
