gotwhiskeyfirst of all cowmisfit, i've played against you and your clan in a clanwar, and we're 9 out of 10 wins so far.

<http://www.YeahClan.tk> go to screenshots - EoE clanwars

You guys have no idea who poolog is, he is arguably the best Renegade player who still plays, so show him some respect. Quit embarrassing yourself by calling him a 'noobie'.

PS---> Glyde quit pretending you have active clan members, even if you did your clan is pathetic, end of story.

You don't know my clan. The end.

gotwhiskeyl have more respect for Spoonny now then ever
