You gave this link to your clan's history on ClanWars...

<http://136.142.210.78/CW/Leagues/Ren/ClanInfo.aspx?ClanID=10895>

So that shows this...

Let me tell ya, that 54% career win percentage really shows me how easy it must have been for ya. :rolleyes: And you hardly played anyone that would be considered "good" by today's standards. So, ya, congratulations?
