[quote="CackBoy26"]Or you could just do it the westwood way and say, "Hey, how many do you have on right now? Four? Okay, how bout a 4v4?" [quote]

This would be how to set up a fun war smart one...You know..one of those thing that doesnt really matter...keyword...FUN...Clan wars are set up in forums....MSN is for a single member of each team to set rules, times, maps, and etc together
