w00t nice video card slayer!

Intel P4 1.4 GHz

512 MB SDRAM

80 GB Western Digital

Nvidia Geforce 4 4200Ti 128 MB DDR AGP 8x

Samsung CD-RM 24x10x40

LG DVD 16x

Samsung SyncMaster 753DF 17" Perfectly Flat CRT (Right and Main)

IBM 15" (Left and Secondary)

This system is not very good as it has sooo many bottlenecks... Although I will never live without my dualies
