TFWxANDY[DT=gbull=[L]=]very nice looking. Hey AirCrafter, i gotta question. Wuts with the Sailor Moon Avatars all the time...not bashing, just wonderin. Because he 'thinks' they look like him

If you're going to try and speak for me, which you should never do, at least get your facts straight. I use Kino Makoto as an avatar because she represents my personality and we are somewhat similar in appearance.
