liberatorl don't expect you to change it, you git. I expect you to be you're lovable, everyday ACK who is supremely confident that his maps are TEH GR8EST EV4R!!!!111111 and if we don't think so we're stupid or retarded.

The frankly suck and so do you, and they are skins AND textures you prick!

Dude, i seriously love you.. ACK is a douche isnt he? I guess this topic is locked.
