RavenWhen? 3rd quarter 2005? I thought Renegade Alert wasn't finished yet, or have you just abandoned it? I hope you're making these things for yourself because there aren't a whole lot left who are going to give a damn. Renegade Alert took way to long. Planetside is almost out, and when it is, Renegade is done.

"When SoF2 comes out, Renegade is dead!"

"When BF1942 comes out, Renegade is dead!"

"When UT2003 comes out, Renegade is dead!"

"When Planetside comes out, Renegade is dead!"

"When whatever comes out, Renegade is dead!"

Right. You're still wrong.
