Matthew 24:13

But whoever holds out to the end will be saved.

Thus this mildly proves that we should not go out seeking war. Infact we should remain faithful that God will avert as many wars as possible until it is nesecairy. Maybe it is nessecairy, but I feel this is a war of human ambitions and the pope has basically condemned it.

Well, that you for pointing out that interesting chapter. It is one of the first times I have heavily engaged in discussion over religion.
