HTGunnyif you talk to the server admins you should be able to get this resolved - pitch a fit enough to clear your clean name and i am sure thy will take notice -

RenGaurd is great - a few glitches in it - i am sure they are workin hard on them - everything takes time - conciderin thy built this from scratch - i think thy are doin a good job

no its not

i got banned from renguard for supposedly being involved in a brenbot leak

bullshit

total bullshit
