---

I got food poisoning on Christmas eve, was throwing up since 7:00am Christmas Day so all i had to eat was a slice of bread, 2 paracetemols and a bottle cap of night nurse.

I spent 7 hours in bed with a bucket and a glass of water. Some Christmas

On the Good side of things, i got a top quality boom stand along with a Ziljian ZXT titanium coated 18" China Cymbal and some 7A custom made AHEAD drumsticks. Also a £500 digi camera

Still, I missed out on my favourite meal of the year.
