xC4pRoXj_ball430I'm glad I was just joining. I don't have to be embarassed. Especially because that's Aztec, and I was Incognito|Hating Aztec last night.

When I get home, I'll post my corpse picture. A couple interesting things happened yesterday when I died.

Nah dude, that's when you said "fuck this, i'm done embarrassing myself," and went spectator ROFL. Oh yeah. Good times. Good times.
