SickOptometrist

That dude coo on the last video- he's got something profound to say but his two word maximum vocabulary is holding him back! - I'm sure it's something really important though... :rolleyes:
Funny stuff!

Imao..

seems like you've ran into a few of "his type" before haha - thier so annoyin!

as for the firefox ppl.. just dust of IE gawd!

firefox will never own IE just face it hahah

(plz im not tryin to start an IE vs FF war either)

Crimson!m not selling the video for money so who cares if I don't own the song.

was meant as a joke m8
