Anonymous 109thGW member do u not play 109thGW? is it because we r 2 good 4 u? just cos 1 of our members pwned u, u ban him! he does not cheat, and never has.

so it turns out that ur so scared of being owned by 109thGW that u avoid wars with them and ban their members from your server!!!!!!

YYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYY

YYYYYYYYYYYYYY

btw, i also know that you plan to hack his pc, that's illegal u know!

so GDE is a clan that has no laws and does not obey any laws.

i think ur all sick.

I believe the member banned in question (GothMog, I believe) was banned because of his clan members crashing our server with the long name (in your case, yen) glitch.

Maybe, you all will be unbanned after all is said done.
