hehe

artiallry is the suckage

its splash damage is completly fucked.. i can barely kill infantry with it

shoot the floor infront of a soldier and it does 0 DMG

shoot the floor behind a soldier it does 0 DMG

shoot the floor besides the soldier it does some DMG

shoot a wall behind the soldier his a dead man

completly fucked

owning tanks with artillary is easy does not require many shots to kill a med or a mamoth
