MilkyLepSickOptometristMilkyLepWere you ever in the SH clan ? Just asking since there was a chick named Phoenix in it....

Yes that's her - You play w/ different name back then?

Yea i was the first Silver Surfer. Fun times, for like a week, that was when I thought Renegade was at its best ( less n00bs)

Well, what the hell happened to you man!?...I was PowderedToastMan ~SH~ for a while back then & decided to go back to the ol' SickO name given to me by my co-workers...
