look firefox is and has been on my comp since it came out..
back when mozilla was a lizard.. not a fox.. ô_o
but i dont let him out to play

he so cute.. lil firefox..

for real tho.. would it really have matterd what browser i was using?
the so called attack CAME from n00bstories.. not outa my browser

i really dont care either way.. i never get attacks like that (even using IE)
i just thought it was funny/wierd it came from n00bstories
