You are Fascist
What: Fascism
Where: At the distant bottom-right of the political spectrum
How: Fascism supports total civil oppression, particularly for minorities, who were prosecuted. However, it does open up to a free market. It has been attempted and failed in countries including Italy, and socialist version of it called Nazism was tried in Germany.<A

[HREF="http://home.att.net/~slugbutter/extremity/"](http://home.att.net/~slugbutter/extremity/)>What political extremity are you?
